

Express Pick-Up

Due to the COVID-19 situation, L&W Supply will temporarily implement the following procedures for customer pickups at our location.

These procedures are designed to limit interaction and follow social distancing recommendations in order to protect you and our associates.

EXPRESS PICKUP PROCEDURES

Call/text/email your order

Please list company name, P.O. #, job name, quote #, material list, person picking up order and their phone number, specify the order is for Express pick up.

We will confirm receipt of order

- We will confirm material availability
- If COD, we will discuss payment method
- We will notify you when your order is ready for pickup

When your order is ready

We will contact you with material location and ask you to provide us with ETA.

When you arrive onsite

An associate will meet you in the designated location and load your vehicle.

- Please verify that all material has been received
- Receipt will be with the product

In and out quickly

All while maintaining social distancing.
