

CARDINAL ACOUSTICS®

AN ACOUSTICAL WOOD FIBER COMPANY

June 28, 2021

RE: August 2021 Price Increase

Dear Valued Partner,

Due to higher costs related to raw materials, Cardinal Acoustics will be implementing a price increase effective August 1st, 2021. This increase will not be a standard upcharge across the board. Each product line has been assessed individually and pricing will be reflected accordingly.

With the recent market volatility, we will not be sending price guides to each individual office, all quotes will be done in house by our sales team. Please send quote requests to:

Dan Khourie @ dkhourie@cardinalacoustics.com

or

Aaron Campbell @ acampbell@cardinalacoustics.com

Please contact us at your convenience with any questions or comments.

Sincerely,

Mark Straub
