October 12th, 2021

To Our Valued Customers

As a result of the *continuing unprecedented* market increases in steel and other raw materials, we are forced to increase our prices as follows effective November 15th, 2021.

- All metal products are increasing by 10%.
- All paper products are increasing by 5%.
- All plastic products are increasing by 10%.

Due to the limited *allocations* that we are receiving, all orders placed each month will need to be of *similar volume* compared to orders in prior months and years.

Unfortunately, if the steel and other raw material suppliers continue to raise prices, we will be forced to follow suit.

We truly appreciate your understanding and loyalty during these difficult circumstances. Please contact and work with your sales representative on any concerns you might have.

Very truly yours,

Ralph Scott
President
