RE: PRICING UPDATE- Adhesives

Nudo continues to work hard to minimize any increase to the market. Over the past several months, we have seen several increases with raw materials and freight. Titebond has implemented a 10% increase on all adhesive purchases effective October 18th. This increase will be reviewed on December 3rd.

Due to their backlog of orders, they will continue to keep all FRP adhesives on allocation with extended lead times.

Effective on all orders **placed on or after October 18th, 2021** (for immediate shipment), the price of **Adhesive Pails** will have a 10% increase added.
