RE: PRICING UPDATE- FRP

Nudo continues to work hard to minimize any increase to the market. Over the past several months, we have seen several increases with raw materials and freight. With this happening, we must now announce an increase of 7% on all FRP products.

Effective on all new orders **placed to ship on or after January 3rd, 2022**, the **FRP & Groundbreaker** will have 7% increase added. This increase will be reviewed and Nudo will provide any updates to changes in the market. **Laminated FRP Panels** will continue to be quoted per project.
