

# MOLDED PRODUCTS

A Division of Atlas Roofing Corporation

February 15, 2022

Dear Valued Customer,

Due to continued upward pressure on raw materials, labor/OH rates and delivery rates, Atlas Molded Products will increase pricing by 5% effective April 1, 2022. This increase is incremental to previously announced increases and will be effective for all products shipping on or after April 1st.

We are continuing to closely monitor these costs and will provide additional communications as necessary. Atlas is making every effort to minimize the impact to our customers.

If you have any questions, please contact your Atlas Molded Products representative.

We appreciate your understanding and support and on behalf of Atlas Molded Products, thank you for your business.

Sincerely,

Karl Kunz  
General Manager
