RE: Freight Surcharge

After further review of the freight surcharges, Nudo has decided to move from a percentage to a flat fee. We have worked to absorb as much transportation and packaging costs as we can, but due to the continued increases in freight and surcharges from our carriers, we must announce a freight surcharge on all prepaid shipments effective April 4th, 2022.

Effective on all new orders **placed on or after April 4th, 2022**, all **Prepaid freight shipments** will have a \$50 surcharge added to all prepaid orders. This surcharge will be reviewed every 30 days, and Nudo will provide any updates to changes in the market.
