Revised Price Increase Announcement

To Our Valued Customers:

Due to the rising cost in raw material, Mill Steel Framing will implement a minimum price increase of 15% of all products on April 3rd, 2023. This amends our February 27<sup>th</sup> announcement, reflecting the significant elevation in steel pricing we have experienced in the past several weeks and additional increases imposed by our supplying steel mills over that period. We will continue to monitor the Mill activity as other increases may be necessary to offset these rising costs.

We will honor all active quotes in accordance with our current quote policy and will be adhering **100%** to our quote policy. New price sheets will be sent out following this announcement. We greatly appreciate your continued support.

Sincerely,

Mill Steel Framing
