SIKA-RMAX PRICE INCREASE ANNOUNCEMENT

To: Our Valued Customers

Due to additional raw material increases used in the manufacture of polyisocyanurate insulation products, Sika-Rmax will be implementing an **8% price increase on all Rmax polyiso products effective September 3, 2024.**

We will honor all existing written quotes; however, all orders shipped on or after close of business on Tuesday, September 3, 2024, will be invoiced at new pricing unless approved in writing by a Sika-Rmax representative.

Thank you for your continued support. We value and appreciate the opportunity to supply your insulation needs. Please contact me, or your local area sales representative, directly if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads 'Greg Fantin'.
