Price Adjustment Notification Effective January 1, 2025

Dear Valued Customer,

Thank you for your continued partnership with Steel-Con. We are committed to providing you with top-quality steel framing products, accessories, unmatched service, and timely delivery. We understand the vital role that competitive pricing plays in your business, and we strive to manage costs to maintain stability in our pricing.

However, due to ongoing increases in raw material costs, transportation, and operational expenses, we must implement a price adjustment to ensure we can continue delivering the quality and reliability you expect from us. Effective **January 1, 2025**, the price of our steel framing products and accessories will have an increase of up to 10%. This adjustment will apply to all orders placed on or after this date. Steel-Con will honor all existing quotes as per our job quote policy.

We remain committed to supporting your business needs and minimizing the impact of this adjustment wherever possible. Please contact your Steel-Con sales representative with any questions and/or concerns.

Thank you for your understanding and partnership as we navigate these challenges together. We are confident that our ongoing investment in quality and service will continue to bring value to your business.

Sincerely,

Fernando Ely
