RE: PRICE INCREASE NOTIFICATION – Steel

Dear Valued Customer,

We've begun to see a steady increase in steel prices in early 2025. This coupled with the recent tariffs and market uncertainty will certainly have an impact on steel supply during the remainder of the first quarter into the second quarter. Additionally, a price increase has been announced on paper. As a result, AMICO is announcing a price increase for all steel products (including Tilath™) and all Jumbo Tex Pony Rolls effective with orders shipping on or after March 10, 2025. Your local sales representative will contact you with details in the very near future.

AMICO will continue to mitigate these increases to the best of our ability, and we will stay committed to supplying you with the best product in the timeliest manner possible. We sincerely appreciate your loyalty and understanding.

Best regards,
