RE: PRICE INCREASE NOTIFICATION – Steel

Dear Valued Customer,

Steel costs have continued their upward movement over the past several weeks. Additionally, the recently announced tariffs are compounding the impact on steel costs, material availability and lead times. Having considered all our options, AMICO is announcing a 10% price increase for all steel products effective with orders shipping on or after April 1, 2025. Your local sales representative will contact you with details in the very near future. Please note that this is in addition to the previously announced price increase that will take effect on March 10, 2025.

AMICO will continue to mitigate these increases to the best of our ability, and we will stay committed to supplying you with the best product in the timeliest manner possible. We sincerely appreciate your loyalty and understanding.

Best regards,
