PRICE INCREASE NOTIFICATION

February 24, 2025

To Our Valued Customers:

Due to domestic steel mill increases in the face of import tariffs, Niles Building Products will be implementing a **10% price increase on all steel and zinc products on April 1, 2025**. This is in addition to March 3rd increase previously announced. Should the steel supply continue to tighten, there will be additional price increases. Job quotes that have been awarded to NBP will be honored per our quote policy. Any job quotes that have not been awarded will be deleted and will require a new quote. All pricing is based on date of shipment and not order placement.

If you have any questions, please contact your Niles Representatives.
