April 15, 2025 Section 232 Tariff Increase/Rollout Plan

To all,

On April 15, 2025, Star Sales will implement a 5% increase across all products due to the Section 232 Tariffs imposed by the United States Government. Star Sales will also implement an additional 5% on May 15, 2025, for a total of 10% overall. We will reassess the Tariff situation at that time. Due to the strain this tariff has put on our partners, Star Sales has decided to roll this increase out monthly instead of a one-time 25% increase.
