PRICE INCREASE ANNOUNCEMENT – July 1, 2025

To Our Valued Customers,

Effective July 1, 2025, CEMCO will raise prices on ALL STEEL-BASED PRODUCTS FOR ALL MARKETS.

This decision follows a proclamation by the President of the United States on June 3, 2025, which doubled steel tariffs from **25% to 50%**. The increase in tariffs has placed additional financial pressure on foreign steel, which is expected to cause domestic steel mills to raise prices on future shipments of coated steel. Consequently, CEMCO is adjusting its prices to align with these increased costs.

New price sheets will be available from sales representatives in the week leading up to the effective date of the price increase. Additionally, job quotes will be honored if they are committed in writing within **30 days** of origination, with quoted pricing remaining **firm for 180 days** from the date created.

Please refer to CEMCO's job quote policy posted as follows:

Thank you for your continued support.

Sincerely,

CEMCO Sales Management Team
