RE: PRICE INCREASE NOTIFICATION – Steel

Dear Valued Customer,

We continue to see a steady increase in steel prices from the domestic mills. This has increased our costs for production of all steel products. As a result, AMICO is announcing a price increase for all steel products shipped on or after April 1, 2026. New price sheets will be available from our sales representatives in the week leading up to the effective date of the price increase.

AMICO will continue to mitigate these increases to the best of our ability. We will stay committed to supplying you with the best product in the timeliest manner possible. We sincerely appreciate your loyalty and understanding.

Best regards,

Joe Strobusch
